General Price List
Prices are subject to change without notice

Established in 1968, the present Valley Isle Memorial Park Cemetery is located in Haiku with over 22 acres available for purchase by individuals, or as family estates, with respect and dignity to all faiths and traditions.

Valley Isle Memorial Park Cemetery offers many features including a sweeping view of Kahakuloa Point across Kahului bay. Continuing upgrades in the park add to the advantages of plot ownership.

In order to assist you with your arrangements, Valley Isle Memorial Park Cemetery has made a General Price List available for your review. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire for burial of your loved one. If legal or other requirements mean you must buy any item you did not specifically ask for, we will explain the reason in writing on the statement we provide, describing the burial goods and services you selected. The responsible party is entitled to receive, prior to the drafting of any contract, a copy of any agreement that has been signed and paid in full or in part, by or on behalf of the deceased that is in the possession of the burial establishment. Our staff is available to answer any questions you may have at any time.

Columbarium Niche

A cremation niche is a small personalized above ground space where an urn is placed inside and sealed. Valley Isle Memorial Park Cemetery offers choices from our beautiful 23-acre cemetery located in Haiku where there are burial grounds and urn plot burial sections. For the family or friends who want to be placed in a niche, our free standing octagonal columbarium would be the perfect choice. Our octagonal columbarium is a freestanding granite structure located out of doors. Each companion space is covered with a single polished granite front cover and utilizes a cast bronze plaque for the inscription of the names and dates.
